Dear Mr. Bryant:

The Division of Waste Management, Superfund Section, Pre-Regulatory Landfill Unit has reviewed the F&R's **July 27, 2016** Task Order **310DP-9 Work Plan & Cost Estimate**. Based on that review, the Task Order and thus the Report are approved. This letter serves as a notification of the Approval of Task Order 310DP-9 Work Plan & Cost Proposal. Please proceed with planned work.

While the total expense on the invoice cannot exceed the amount approved, individual task components within this task approval may vary. Any increase in cost to this scope of work must be approved prior to implementation. A task order addendum must be requested to cover an additional scope of work or unforeseen site circumstances. Notify me immediately and request additional funds to cover eligible and reasonable costs. Cost of additional work conducted without approval will be ineligible for payment.

If you have any questions, please contact me at (919) 707-8347. Thanks!

Sincerely,

Ziqiang Chen, PhD, Environmental Engineer II
Division of Waste Management, NCDE
